25X1

[redacted] dated 20 May 1964

25X1

1. It is apparent from reference that those employees at [redacted] Bases in possession of Government furniture were housed under old [redacted] or other authority pre-dating current policy and thus would be at a loss if required to provide their own furniture. Accordingly, at the discretion of the Station, such employees may retain furniture items now issued to them until departure from the Base.
